

Our VIRTUAL WALK *for* HOUSING

OUR 1ST VIRTUAL WALK FOR HOUSING APRIL 26 – MAY 10 2020

Join us for our 1st Virtual Walk for Housing.

COVID-19 restrictions have us all practicing physical distancing and staying at home- but let's get moving! Our 14 day virtual tour of Newburgh cites can be completed by walking, hiking, cycling, or running in the safety of your home, yard, or other safe, physically distant place.

Our annual **Walk for Housing** helps Habitat Newburgh continue to build homes, communities, and hope. It is also our major advocacy event to bring attention to the issues of housing affordability and quality here in the City of Newburgh and around the world.
