Required Communications

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated August 2, 2022. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated August 2, 2022 regarding the planned scope and timing of our audit and identified significant risks.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Organization. The Organization adopted ASU 2020-07, <i>Contributed Nonfinancial Assets</i> , as of July 1, 2021. Significant or Unusual Transactions We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus. Management's Judgments and Accounting Estimates Summary information about the process used by management in formulating particularly sensitive accounting estimates and about our conclusions regarding the reasonableness of those estimates is in the attached Summary of Significant Accounting Estimates.
Basis of Accounting	The financial statements were prepared on the assumption that the Organization will continue as a going concern.
Audit Adjustments	A summary of audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Organization are shown in the attached Summary of Recorded Audit Adjustments.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Area	Comments
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Letter Communicating Management Suggestions	We have separately communicated the management suggestions over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.
Newly Issued FASB Standards	Newly issued FASB standards are attached as Exhibit B.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Organization, including the representation letter provided to us by management, are attached as Exhibit C.

Summary of Significant Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events, and certain assumptions about future events. Management may wish to monitor throughout the year the process used to determine and record these accounting estimates. The following describes the significant accounting estimates reflected in the Organization's June 30, 2022 financial statements.

Estimate	Accounting Policy	Management's Estimation Process	Basis for Our Conclusions on Reasonableness of Estimate
Allowance for Doubtful Accounts Receivable	Management reviews accounts receivable to specifically identify amounts due that would be uncollectible.	Estimated amounts are decided upon by Habitat for Humanity of Greater Newburgh based on management's judgment regarding collectability. Management had determined that no allowance for doubtful accounts was necessary as of June 30, 2022.	Allowance estimate appears reasonable based on the history of collections of significant receivables after the balance sheet date.
Present Value	The Organization records contributions receivable net of a present value adjustment.	Calculated using the long-term applicable federal rate compounding annually as of June 30, 2022.	The present value estimate appears reasonable based on the consistent application of the long-term federal rate and RBT recalculation.
Restore Inventory	Management has estimated inventory values based on the sales from the six week period subsequent to fiscal year end.	Management has determined that on average, most inventory items are turned over within six weeks of receipt.	Inventory appears reasonable based on the Restore Sales that occurred within six weeks after June 30, 2022.
Discount on Mortgage Receivables	Management records a discount on mortgage receivables of 7% for all mortgages.	Management has determined that it is not appropriate to revalue the discount rate each year since the Organization no longer issues mortgages.	Discount appears reasonable after review of receivable balances and recalculation.

Summary of Recorded Audit Adjustments

Management corrected the following material misstatements that were identified as a result of our audit procedures

Description	Net Effect-Increase (Decrease)				
	Assets	Liabilities	Equity	Revenue	Expense
Income Statement Effect				\$ (9,377)	\$ (6,597)
Balance Sheet Effect	\$ (2,377)	\$ 400	\$ -		

The amounts above reflect the net increase/(decrease) to the indicated account classes as a result of 11 entries proposed during our audit procedures. These entries have been reviewed and accepted by Amy Gigliuto, Director of Operations.

This letter includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements of Habitat for Humanity of Greater Newburgh, Inc. (the "Organization") as of and for the year ended June 30, 2022. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Organization's practices and procedures

We consider the following to be management suggestions:

Home Sales

During the audit, RBT noted that the contracts for home sales did not tie directly to entries or balances for transfer of property accounts. RBT recommends that additional reimbursements and subsidies are segregated from Developer's Subsidies in their own account and that contracts are updated to reflect actual amounts applied. RBT also recommends that a reconciliation is completed for home sales to the trial balance accounts.

Cash Receipts

During the audit, RBT noted that copies of cash are kept as support for cash deposits and donations. RBT recommends that a cash receipt form is maintained for cash deposits and that no photocopies of money are made or maintained.

*Disaster Recovery Plan

During the audit, RBT noted that there is no formal disaster recovery plan in the event of an emergency. RBT recommends that the Organization create a formal written policy for ongoing operations in the event of an emergency that outline critical IT functions and networks and outlines steps necessary to restart, reconfigure and recover critical systems and networks to minimize any negative effects on operations and downtime after a disaster.

Report to the Board of Directors
December 12, 2022

Effective for June 30, 2023 financials - Adoption Required

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, Leases (Topic 842), in February 2016. It is effective for fiscal years beginning after December 15, 2021 for nonpublic entities. Early application is permitted.

Under the new provisions, all lessees will report a right-of-use asset and a liability for the obligation to make payments for all leases, with the exception of those leases with a term of 12 months or less. All other leases will fall into one of two categories:

- Financing leases, similar to capital leases, will require the recognition of an asset and liability, measured at the present value of the lease payments.
 - o Interest on the liability will be recognized separately from amortization of the asset.
 - o Principal repayments will be classified as financing outflows and payments of interest as operating outflows on the statement of cash flows.
- Operating leases will also require the recognition of an asset and liability measured at the present value of the lease payments.
 - o Lessees with operating leases will recognize a single lease cost, consisting of interest on the obligation and amortization of the asset, calculated such that the amortization of the asset will increase as the interest amount decreases resulting in a straight-line recognition of lease expense.
 - o All cash outflows will be classified as operating on the statement of cash flows.

For sale leaseback transactions, the sale will only be recognized if the criteria in the new revenue recognition standard are met.

- If there is no sale, the buyer-lessor does not recognize the transaction as a purchase.
- Consideration paid for the asset is treated as a financing transaction.

The Organization currently has multiple operating leases for office space and equipment. The Organization will be required to disclose assets and liabilities for the amount of the operating leases.

This representation letter is provided in connection with your audit of the financial statements of Habitat for Humanity of Greater Newburgh which comprise the statement of financial position as June 30, 2022 and 2021 and the related statements of activities, statements of functional expenses, and cash flows for the years then ended and the related notes to the financial statements for the purpose of expressing an opinion on whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP").

We confirm, to the best of our knowledge and belief, that as of December 12, 2022:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated August 2, 2022, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events and our assumptions about conditions we expect to exist and courses of action we expect to take.
5. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
6. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
7. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
8. We have informed you of all leases to which we are a party.
9. We have no knowledge of any uncorrected misstatements in the financial statements.

Information Provided

10. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.

125 Washington Street, Newburgh, NY 12550 tel (845) 568-6035 fax (845) 568-5632 info@habitatnewburgh.org habitatnewburgh.org

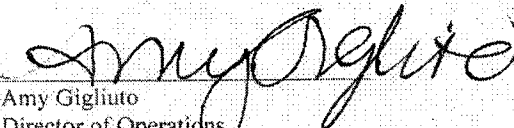

Equal Housing Opportunity.

- c. Unrestricted access to persons within the Organization from whom you determined it necessary to obtain audit evidence.
 - d. Minutes of the meetings of stockholders, directors and committees of directors, or summaries of actions of recent meetings for which minutes have not yet been prepared.
11. All transactions have been recorded in the accounting records and are reflected in the financial statements.
 12. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
 13. We have disclosed to you any allegations of fraud or suspected fraud of which we are aware, affecting the Organization's financial statements involving:
 - a. Management.
 - b. Employees who have significant roles in the internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
 14. We have disclosed to you any allegations of fraud or suspected fraud affecting the Organization's financial statements received in communications from employees, former employees, regulators, or others.
 15. We have no knowledge of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements. Additionally, we specifically represent that we are responsible for determining that we are not subject to the requirements of the Single Audit Act because we have not received, expended or otherwise been the beneficiary of the required amount of federal awards during the period of this audit.
 16. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and we have not consulted legal counsel concerning litigation or claims.
 17. We have disclosed to you the identity of the Organization's related parties and all the related-party relationships and transactions of which we are aware.
 18. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the entity's ability to record, process, summarize, and report financial data.
 19. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
 20. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Supplementary Information

21. With respect to supplementary information presented in relation to the financial statements as a whole:
 - a. We acknowledge our responsibility for the presentation of such information.
 - b. We believe such information, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America.
 - c. The methods of measurement or presentation have not changed from those used in the prior period.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Habitat for Humanity of Greater Newburgh, Inc.
125 Washington Street
Newburgh, NY 12550

Opinion

We have audited the financial statements of Habitat for Humanity of Greater Newburgh, Inc. (the "Organization"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2022 and 2021 and the changes in its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for twelve months from the report date.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

HABITAT FOR HUMANITY OF GREATER NEWBURGH, INC.

NOTES TO FINANCIAL STATEMENTS

1. Nature of Business:

Habitat for Humanity of Greater Newburgh, Inc. (the "Organization") is a New York not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC"). The Organization was incorporated on July 27, 1999. The Organization is an affiliate of Habitat for Humanity International, Inc. ("HFHI"), a nondenominational Christian non-profit organization whose purpose is to create decent, affordable housing for those in need, and to make decent shelter a matter of conscience with people everywhere. Although Habitat International assists with information resources, training, publications, payer support, and in other ways, the Organization is primarily and directly responsible for its own operations. This geographic area of the Organization encompasses Eastern Orange County. Presently, the Organization is rebuilding homes in the City of Newburgh.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The Organization uses the accrual method of accounting which recognizes income when it is earned and expenses as they are incurred.

Pervasiveness of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Restricted Assets

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Functional Allocation of Expenses

The cost of providing the various programs and supporting services has been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services in reasonable ratios determined by management. The methods of these allocations are disclosed on the statement of functional expenses.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, including receivables and payables arising in the ordinary course of business, approximate fair value due to the short maturity of these instruments.

The fair value of the Organization's investment in marketable securities represents the estimated amount the Organization would receive if it were to sell the investments. See Note 5 for additional disclosures on the fair value of the investments.

Subsequent Events

Management has evaluated subsequent events from June 30, 2022 through December 12, 2022, the date on which the financial statements were available to be issued.

Cash and Cash Equivalents

The Organization considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Investments

Equity securities are stated at fair value and unrealized holding gains and losses are included in the change in net assets.

Accounts Receivable

The Organization provides for bad debts using the reserve method; however, accounts receivable are already shown at their net realizable value after any necessary write-offs. The balance is stated at the amount management expects to collect. At June 30, 2022 and 2021, management determined that no allowance for doubtful accounts was necessary.

HABITAT FOR HUMANITY OF GREATER NEWBURGH, INC.

2. Summary of Significant Accounting Policies (continued):

Inventory

The Organization's inventory consist of home goods that are donated to the Organization and resold at the ReStore (the Organization's thrift store). Inventory is stated at the lower of cost (specific identification) or net realizable value.

Fixed Assets

Fixed assets are stated at cost. In the case of donated assets, fixed assets are stated at fair market value at the date of receipt. Depreciation is computed principally by the straight-line method over the estimated useful lives of the assets ranging from 3 to 39 years. Additions, improvements and expenditures for repairs and maintenance that are over \$5,000 and significantly extend the economic life of the asset are capitalized. Any immaterial amounts or amounts incurred as recurring expenditures are charged to expense.

Compensated Absences

Employees of the Organization are generally entitled to paid vacation depending on length of service and other factors. It is impractical to estimate the amount of compensation to accrue for future absences. Therefore, no accrual for unused vacation days is provided at the balance sheet dates. The Organization's policy is to recognize the costs of compensated absences when the employees are paid for such absences.

Deferred Revenue

Deferred revenue represents payments received in advance of services being provided or obligations being met. All amounts received in advance are deferred until services are rendered.

Advertising Expenses

Advertising expenses are charged against income as incurred and totaled \$3,583 and \$3,311 for the years ended June 30, 2022 and 2021, respectively.

Revenue Recognition

During the year ended June 30, 2022, the Organization derived approximately 79% of its revenue from non-exchange contracts and 21% from exchange contracts recognized at a point in time.

During the year ended June 30, 2021, the Organization derived approximately 61% of revenues from non-exchange contracts and 39% of revenue from exchange contracts recognized at a point in time.

Non-exchange revenue is recognized in the period set forth in the grant or contract. Donations are recognized when they are received and restricted if donor restrictions exist.

Customer Types

The customers for transactions for revenue recognized at a point in time consist of home buyers, ReStore customers and special events attendees.

Revenue from grants and contributions are received from federal, State and local sources, as well as private foundations and donors.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer. A contract's transaction price is allocated to each distinct performance obligation and recognized as revenue when, or as, the performance obligation is satisfied.

The Organization's performance obligations include providing move-in ready single-family homes and providing antique, new and gently used building materials, furniture, housewares, and kitchen appliances for purchase at their ReStore location in Newburgh, New York.

HABITAT FOR HUMANITY OF GREATER NEWBURGH, INC.

2. Summary of Significant Accounting Policies (continued):

Transaction Price

The transaction price of a contract is comprised of the following: (1) fixed cash consideration due from the customer; plus (2) estimated cash variable consideration due from the customer; plus (3) noncash consideration due from the customer; minus (4) estimated cash or noncash consideration payable to the customer; minus (5) contingent amounts, unless no revenue reversal is probable (i.e., constraint); plus or minus (6) any financing component. The Organization's contracts do not include any noncash or financing elements.

Home prices are determined at fair market value and adjusted for subsidies provided by Habitat for Humanity based on the home buyer's income.

ReStore items are sold at 50-90% off retail prices as inventory is 100% donated or salvaged. The ReStore's purpose is to provide low-cost materials and furnishings as part of the Organization's mission.

Disaggregation of Revenue

For the Year Ended June 30	2022	2021
Non-Exchange Contracts	\$ 4,261,578	\$ 1,569,285
Performance Obligations Satisfied at a Point in Time	1,115,692	1,005,818
Total	\$ 5,377,270	\$ 2,575,103

Income Taxes

The Organization files an annual Form 990 as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code. As such, no federal or New York State taxes are paid by the Organization. The Organization has been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170 (b)(1)(A)(vi).

The Organization adopted the provisions of accounting principles generally accepted in the United States of America regarding accounting for uncertain tax positions. Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that would require adjustment to the financial statements in order to comply with the provisions of this guidance. With few exceptions, the Organization is not subject to income tax examinations by the U.S. federal, state or local tax authorities for fiscal years prior to 2019.

Paycheck Protection Program Loan

The Organization accounts for its Paycheck Protection Program ("PPP") Loan Payable as a financial liability in accordance with FASB ASC 470 Debt. See Note 14.

Reclassification of Amounts

Certain amounts for the year ended June 30, 2021 have been reclassified to conform with the presentation of amounts for the year ended June 30, 2022. There is no effect on the 2021 results from operations.

3. Cash and Cash Equivalents:

Cash and cash equivalents consisted of the following:

As of June 30	2022	2021
Cash and Equivalents	\$ 1,853,332	\$ 468,057

Petty Cash	500	500
	\$ 1,856,082	\$ 471,557

HABITAT FOR HUMANITY OF GREATER NEWBURGH, INC.

4. Investment in Marketable Equity Securities:

The following is a summary of the Organization's investment in equity securities:

	Cost	Gross Unrealized Gain	Gross Unrealized (Loss)	Fair Market Value
2022				
As of June 30				
Stocks	\$ 10,991	\$ 944	\$ -	\$ 11,935
Mutual Funds	7,617	-	(662)	6,955
	\$ 18,608	\$ 944	\$ (662)	\$ 18,890
2021				
As of June 30				
Stocks	\$ 10,991	\$ 1,198	\$ (679)	\$ 11,510
Mutual Funds	7,243	1,177	-	8,420
	\$ 18,234	\$ 2,375	\$ (679)	\$ 19,930

5. Fair Value Measurements:

The estimated carrying and fair values of the Organization's financial instruments are as follows:

As of June 30	2022		2021	
	Carrying Value	Estimated Fair Value	Carrying Value	Estimated Fair Value
Stocks	\$ 10,991	\$ 11,935	\$ 10,991	\$ 11,510
Mutual Funds	7,617	6,955	7,243	8,420
	\$ 18,608	\$ 18,890	\$ 18,234	\$ 19,930

The fair value of the securities is based on quoted market rates.

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the hierarchy are described below:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

To determine the appropriate levels, the Organization performed a detailed analysis of the assets and liabilities that are subject to fair value measurement in accordance with accounting principles generally accepted in the United States of America.

For the year ended June 30, 2022, the application of valuation techniques applied to similar assets and liabilities has been consistent.

	June 30, 2022			
	Total	Level 1	Level 2	Level 3
Stocks	\$ 11,935	\$ 11,935	\$ -	\$ -
Mutual Funds	6,955	6,955	-	-

Mutual Funds	8,420	8,420	-	-
	\$ 19,930	\$ 19,930	\$ -	\$ -

Equity securities are valued at the closing price reported on the active market on which the individual security is traded.

HABITAT FOR HUMANITY OF GREATER NEWBURGH, INC.

6. Accounts Receivable:

Accounts receivable consisted of the following:

As of June 30	2022	2021
Accounts Receivable	\$ 63,044	\$ 57,884
Grants Receivable	37,900	35,000
	\$ 100,944	\$ 92,884

7. Mortgage Loan Administration:

The Organization's mortgage loans are currently managed by Walden Savings Bank, an experienced loan servicer providing the tasks of payment collection, processing and remittance, delinquency notices, escrow administration, 1098 reporting, and other back-office functions necessary in effectively administering a loan. The Organization records principal payments and escrow deficits when they are receivable or payable to Walden Savings Bank.

8. Mortgage Loans Receivable:

The various mortgage loans receivable consist of non-interest bearing mortgage loans to homeowners which are secured by real estate and payable in monthly installments over the lives of the respective mortgages. These non-interest bearing mortgages are recorded at their net realizable value and have been discounted based upon a 7% rate at the inception of each mortgage. Utilizing the effective interest method, this discount is recognized as interest income over the term of the mortgage. The homeowners' monthly mortgage payments go into a revolving fund for the Organization that is used to build more houses.

In addition, a second lien is placed against the home that is equal to the difference between the cost of construction and the appraised value and/or the difference between the sales price and the mortgage. Repayment of the second lien is only required in the event of a resale or refinance, and is forgiven by 10% a year. All proceeds from the second mortgage realization are recorded as income in the period collected

Certain funds provided by local government or institutional investors would be required to be repaid to the donating government or institution in the event the project for which the funds were provided is sold by the homeowner within a specified time period, between 5 and 30 years. These contingent obligations of the homeowners range from approximately \$5,000 to \$65,000 and are documented in the form of silent second, third trust deeds, mortgages and deed restrictions.

At June 30, 2021, the Organization had \$2,186,447, representing approximately nine months of general expenditures. The Organization structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Organization maintains a line of credit in the amount of \$300,000 (Note 10), that can be drawn upon with Board approval. Management has determined this liquidity to be sufficient.

23. Economic Dependency:

The Organization received approximately 37% of its operating revenue from a single private donor for the year ended June 30, 2022.

24. New Accounting Standards:

Leases

FASB Accounting Standards Update No. 2016-02, Leases is effective, and will be adopted by the Organization, for fiscal year 2023. The new standard establishes two categories of leases – operating and financing – and requires lessees to recognize a right-of-use asset and a liability for all leases in both categories. Implementation of the standard will require certain retrospective adjustments at the time of application. Management is currently evaluating the impact of this standard on its financial reporting.
