

Golf for Housing

An annual tradition, Golf for Housing raises critical funding to support Habitat for Humanity of Greater Newburgh's work.

Habitat Newburgh helps local families build their own homes alongside volunteers and build strength, stability, and self-reliance through affordable homeownership. Because of your support, we have dedicated 100 homes in 20 years!

Give with confidence

A gift to Habitat Newburgh is a gift in perpetuity. Funds go directly to rehabbing and building our homes and therefore give our families a direct hand up. Habitat homeowners contribute over \$500,000 each year to city and school taxes, and Habitat homes have increased property values in the City of Newburgh by \$9 million.

At a time when housing is a major issue in the Hudson Valley and across the nation, Habitat Newburgh is operating as an example for all fellow Habitat for Humanity affiliates, as well as housing organizations as a whole. Our work and reputation are extremely valuable to fulfilling our mission and we are thrilled to recognize our recent achievements. They include:

- Four-star rating on Charity Navigator
- Gold Star Seal of Transparency on GuideStar
- Voted Best Community Builder Hudson Valley Magazine
- John McCormick Award Newburgh Preservation Association
- Habitat for Humanity Affiliate of Distinction
